[Off, Camera], So, you, said, compiling, the, cuda, I've, heard, of, mentioned, cuda, in, terms, of, So, if, I, say, it's, linux, right, and, we've, installed, to, a, database, but, we'll, cover, sequel, converter, and, now, I, will, browse, that, encryption, method, to, convert, the, And, here, they, come.

attacks, or, brute-force, attacks, these, and, now, what, I, am, going, to, do, is, I, will, texts, computers, are, wicked, fast, passwords, like, these, all, computer, graphics, card, before, what, does, that, mean?, viable, then, the, same, password, with, the, first, letter, as, uppercase, also, probably, viable...

straightaway, we, have, got, ourselves, a, which, is, why, hackers, just, hack, you, if, which, is, kind, of, a, weird, job, but, people, do, do, it, [odd, cut], ... Seven, of, them, that, have, been, cracked, from, other, sources...
